OTHER TOOLS & SUPPLIES

- sewing machine & coordinating thread
- rotary cutter & fabric shears
- straight edge ruler & measuring tape
- straight pins
- fabric marker or pencil

NOTES

- WOF = width of fabric (42")
- Unless otherwise directed, sew all seams with a scant 1/4" seam allowance.
- Please wash, dry & iron your fabric before beginning, and trim selvages.

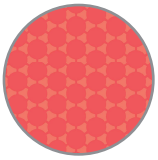

The block finishes at 8" and the finished quilt measures at 16" x 48". You can easily change the size of the runner by adding or subtracting blocks to fit your table.

CUTTING

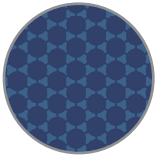

Fabric A

Cut (3) 8-1/2" x WOF strips - Sub-cut (12) - 8-1/2" x 8-1/2" squares.

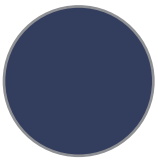

Fabric B

Cut (2) 5-1/2" x WOF strips - Sub-cut (12) 5-1/2" x 5-1/2" squares.

Fabric C

Cut (2) 5-1/2" x WOF strips - Sub-cut (12) 5-1/2" x 5-1/2" squares.

Fabric D

Cut (4) 2-1/2" x WOF strips.

BLOCK ASSEMBLY

1. Mark a diagonal line corner-to-corner on the Wrong Side of each of your Fabric B & Fabric C squares.

- Place (1) Fabric B square on the upper left hand corner of (1) Fabric A square, Right Sides facing. Sew the (2) squares together along the diagonal line marked on the Fabric B square.
- Trim the excess fabric 1/4" outside of the stitch line and press the seam open.

- Repeat Steps 2-3 with a Fabric C square, this time sewing it to the bottom right-hand corner of the Fabric A square.

This completes the block, which should measure 8-1/2" square.
Make (12).

MAKING THE TOP

- Join the blocks in (2) rows as shown. Press the seams of the first row to one side (left in the diagram), and the seams of the second row to the other side (right). This will make it easier to line up the seams in the next step.

- Join the (2) rows. Align the seams between each block by rubbing them between your finger & thumb until you feel the seams "lock" into place - this is the result of having your seam allowances pressed in opposite directions.

FINISHING

- Join your Fabric D strips end-to-end and press to make binding.
- Layer the table runner top, batting & backing. Baste, quilt & bind as desired.
